Dear Mr Reid

**Avonlie Solar Farm (SSD-9031)  
Stormwater Management Plan**

I refer to the revised Stormwater Management Plan which was submitted in accordance with condition 22 of Schedule 3 of the conditions of consent for the Avonlie Solar Farm (SSD-9031).

The Department notes the management plan was updated to incorporate the minor changes following the approval of modification 2.

The Department has carefully reviewed the document and is satisfied that it generally meets the requirements of the relevant condition.

Accordingly, the Planning Secretary has approved the revised Stormwater Management Plan (Revision D, dated 28 June 2021). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
