Subject: Bodangora Wind - Compliance Tracking Program

Dear Mr Bullock

Reference is made to your post approval matter, MP10_0157-PA-26, requesting approval of the Compliance Tracking Program (CTP) (Revision 4, dated 29 May 2025), submitted to the NSW Department of Planning, Housing and Infrastructure (NSW Planning) on 5 June 2025, as required by Schedule D Condition D5 for the Bodangora Wind Project, MP10_0157 as modified (Consent).

NSW Planning has reviewed the CTP, noting only minor administrative updates have been made throughout the document.

Therefore, as nominee of the Planning Secretary, I approve the CTP (Revision 4, dated 29 April 2025) under Condition D5. Please note that NSW Planning's acceptance of the CTP is not an endorsement of the compliance status of the Project.

You are reminded that if there is any inconsistency between the approved document and the conditions of Consent, then the requirements of the conditions of consent prevail.

Please ensure you make the document and this approval letter publicly available on the project website.

Should you wish to discuss the matter further, please contact Jennifer Rowe, (Senior Compliance Officer) on 0242471851 or email compliance@planning.nsw.gov.au

Yours sincerely

Katrina O'Reilly
